Under federal law a business may deduct only the portion of dues to a trade organization that is not directly related to its lobbying/government relations effort. The ABA has determined that not more than 20% of all dues revenues are invested into its lobbying effort. Therefore you may deduct 80% of your dues as an ordinary business deduction.

ABA Federal Tax ID. # 86-0264750

Under federal law, "Contributions or gifts to the Arizona Broadcasters Association are not deductible as charitable contributions for federal income tax purposes, however, dues payments are deductible by members as an ordinary and necessary business expense."

Thank you in advance for your support of the ABA!
